Е.	The parties have complied with the requirements of Local Rule 26(e)(2)(B) regarding discovery of electronically stored information and have concluded as follows [The parties MUST state whether or not there is ESI and, if so, how they propose to address it]:
	The parties may have relevant ESI.
	The parties are ordered to retain any relevant ESI.
	Unless otherwise agreed, ESI produced in this matter will be in .pdf format or printed and produced in paper format.
F.	The court imposes the following further discovery provisions or limitations:
	1. The parties have agreed that defendant may obtain a Fed. R. Civ. P. 35 (L.U.Civ.R. 35) medical examination of the plaintiff (within subpoena range of the court) by a physician who has not examined the plaintiff, and that defendant may arrange the examination without further order of the court.
√	2. Pursuant to Rule 502(d) of the Federal Rules of Evidence, the attorney-client privilege and the work-product protections are not waived by any disclosure connected within this litigation pending before this Court. Further, the disclosures are not waived in any other federal or state proceeding.
	3. Plaintiff must execute an appropriate, HIPAA-compliant medical authorization.
√	4. The court desires to avoid the necessity of filing written discovery motions where court participation in an informal discussion of the issue might resolve it, even after the parties have been unsuccessful in a good faith attempt to do so. Consequently, before a party may serve any discovery motion, counsel must first confer in good faith as required by F.R.Civ.P. 37(a)(1). If the attorney conference does not resolve the dispute, counsel must contact the chambers of the magistrate judge to request a telephonic conference to discuss the issue as contemplated by F.R.Civ.P. 16(b)(3)(v). Only if the telephonic conference with the judge is unsuccessful in resolving the issue may a party file a discovery motion.
